Diamond Reflections

With the 60th edition of the **WARWICK**, the students, faculty, and staff celebrated the diamond anniversary of the publication. However, it marked more than just another stage in a journalistic endeavor. Just as a diamond reflects light in all directions with changing hues, so, too, was the school and the life within reflected. One of the purposes of a yearbook is to serve as a reminder or mirror of the past. It was with this intent that this edition, through the diamond, reflected the past 60 years with all the changes and progress, and noted the effect on the students, faculty and staff of 1982-83.

Diamond Jubilee

The Diamond Anniversary edition ffered the chance to look back at old olumes of the **Warwick** and compare ıe student life of 60 years past. Much ad changed yet very little. The pening of school was greeted with roans but also anticipation. Friendıips were renewed and new friendhips begun. Throughout the years ıere have always been the familiar ıces of faculty and administration.

Though school competitions and ports may have varied, win or lose, ıere was always rivalry. The old chool symbols of the Farmers and low had changed to the Raider and ıe equestrian Raider but there contined to be certain games that spark erce loyalties. Homecoming brought ıe old back for a reunion.

Over the years regulations became ıore relaxed in regard to the faculty. .s teachers were allowed more eedom, they could participate in ıore school functions. This was examplified by the faculty pep rally.

Ring Dance: that special evening for the juniors when they received the recognized symbol of their school, the class ring. Reactivated in the past few years was the "Miss Warwick" competition which results in a representative of the school chosen for her talent, poise, and personality. The seasons change but the events every year form a continuity that links the years together giving a common bond.

Spring arrived with the preparations for the spring play. The drama department was given their chance to perform. Throughout the years, drama had been an important facet of student life that had always encouraged everyone's self expression.

There was always the annual excitement of Prom and Graduation. Just as the Senior Class of 1923 greeted that special day in June so will seniors of years to come.

Beatin' the Odds

The 82-83 school year began on a positive note. The addition of the 9th graders last year did not seem to affect the efficiency of the school. The halls were crowded but surprisingly orderly though the cafeteria lines seemed to stretch on forever. The lines thinned quickly as off-campus permits and parking permits were issued. Class and bus schedules covered the walls and students crowded around them. The happiest moments were renewing old friendships and making new friends. Joining clubs and becoming involved made the transition to a new year a little easier.

Amidst all the confusion of racing to class, trying to open jammed lockers, changing schedules and searching for the right bus, the "Raider Spirit" shone through.

Anchors Away

"Raider Week" brought out an overwhelming amount of spirit and participation. Monday, "Hobo Day", began the week slowly because it was not well advertised. "Seasick Mariner Day" was well received as students dressed in the sloppy, mismatched Marine style. "Twirp" and "Revenge" days resulted in antics as students devised comic deeds to be performed throughout the day.

The week culminated with "Maroon and Gold Day" as students and staff wore the school colors. The Ferguson Mariner was given a mock funeral at the Pep Rally. Though a losing game, it was attended by many loyal fans.

Homecoming Spotlights Many

The band presented an out-standing half-time show with the current theme, Pac-Man. Helping the spirit in the stands was the Pep Club and on the field cheers were led by Warwick cheerleaders of both past and present. A colorful addition to the day were the mums sold by the Keyettes. It was a successful game against Lafayette accomplishing the first win of the season.

Growth Stressed

Just as the faculties in the past have had to face changes so the Administration and Faculty of '82—'83 were called upon to make adjustments to new concepts in education and to the impact of modern apparatus and computers. Everyone realized the value of being knowledgeable of these new innovations and techniques in education. Without hesitation, the staff faced these demands through constant counselling of students and through personal study.

The size and extent of studies has grown incredibly since the 1920's. Where there once were perhaps only 10 on staff there were now approximately 135. Deans and monitoring are as outdated as regulations concerning women teachers. Undoubtedly, times change but the purpose and dedication of the teacher or administrator remained constant.

Spirit Timeless

The names changed and the years passed but the "Raider/Farmer" spirit remained. It was evident in every hall and during every pep rally. An undying loyalty arose for one's school. School was such a major part of every day that a tie developed not only a tie to the school as one's Alma Mater but also ties between people. Friendships developed and expanded throughout high school years. Many of these friendships lasted a lifetime, and memories from school and teenage hardships to hold the bond closer.

Competition was a big part of the support felt. There was competition against the arch-rival Newport News High School and then later, Ferguson High School. Basketball and football games gave all a chance to be with friends and spark fierce competition between schools. Even stiffer competition occured between classes within the school. Underclassmen fought for status, to move up the ladder while Seniors fought to hold their Seniority. Spirit stick competition at Pep Rallies gave everyone a chance to prove their class the best. Raider Week celebration and hall decorations brightened the year and gave everyone an opportunity to let loose and be a little crazy, some more than others. Seniors often took the lead in such cases, showing the others the traditions that had been passed on to them and in turn passing the traditions on.

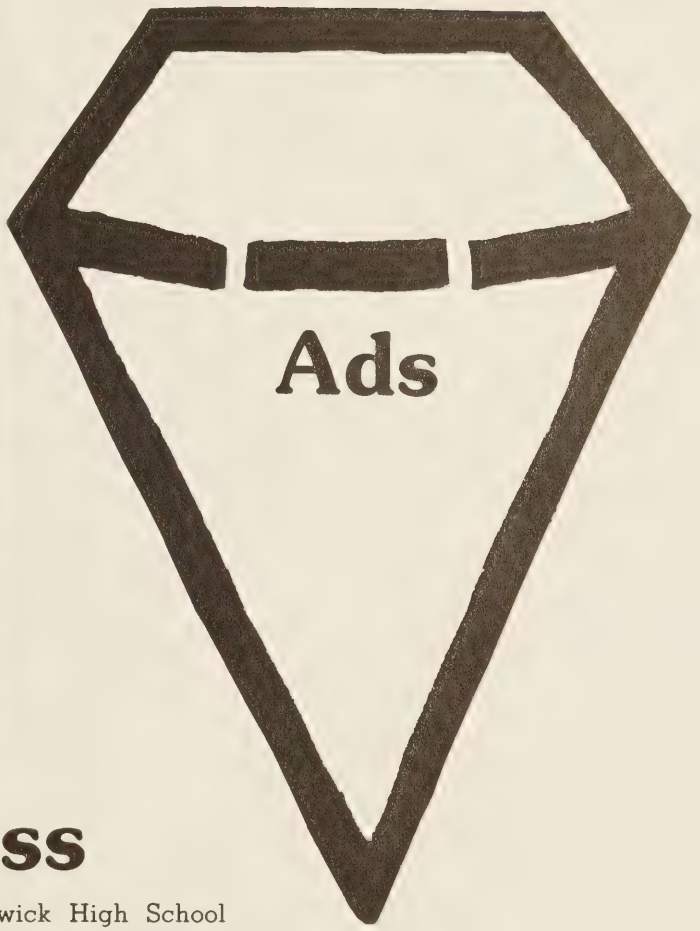
PAINT

till serving the peninsula in 1983 is E.A. Harper & Co.

n 1912, E. A. Harper & Co., a family owned business, opened its doors to the peninsula .



Still in Business

Ads played an important part in all our 60 years of publication. usinesses, such as Manor Market and Western Sizzlin, supported our school r furnishing jobs and careers for stu- nts. In turn, Warwick High support- d the businesses with patronage. any had come and gone but local pport from Warwick businesses kept e "Warwick High Family" alive!

A couple of businesses had four generations of Warwick High School graduates to look back on such as Pool's Aluminum and W.J. Smith Funeral Home. The Warwick would not have been able to be published if it weren't for these wonderful businesses. We really appreciated everything they did for us and looked forward to another 60 years of mutual support.

By comparing the cheerleaders from 1965 with cheerleaders of 1982, it is possible to contrast the changes in uniform, movements, and cheers. The '82 Varsity Cheerleaders take part in many local competitions such as the WGH "Catch The Spirit" Contest at Newmarket South.

B. Times have certainly changed as can be seen in a 1930's Girls' Basketball Team picture.

Always a Winner

A strong thread of continuity to any school history was its sports program. A brief glance at old annuals revealed radical changes in the inclusion of women in most competitive sports and a new intra-mural program to include students, faculty, and staff. The emphasis in the past few decades shifted from the traditional football/basketball season to meet the rapidly growing enthusiasm for sports such as field hockey, golf, soccer, tennis and gymnastics. District championships were captured annually making Warwick a school with which to be reckoned. As in the past, sports shared the limelight with academics offering students an opportunity to learn about competition, teamwork, loyalty and dedication. Win or lose, for the many athletes and the loyal spectators, sports would always be an intergral part of school life.

The Third Facet

Both students and staff would agree-there had to be more to school than academics and sports. Over the many years, Clubs served multipurposes. Many, like the Science Club, Language Club, and IASA were extensions of the classroom and reinforced that learning. Others offered new experiences like the Chess Club while the Pep Club, Key Club, Keyettes, and Cheerleaders gave students an opportunity to serve. For decades, certain groups as the "Earle" Staff and **The Warwick** Staff existed to provide, through journalism, a continuity to student life. Clubs came and left but the need for that extracurricular life was always there.

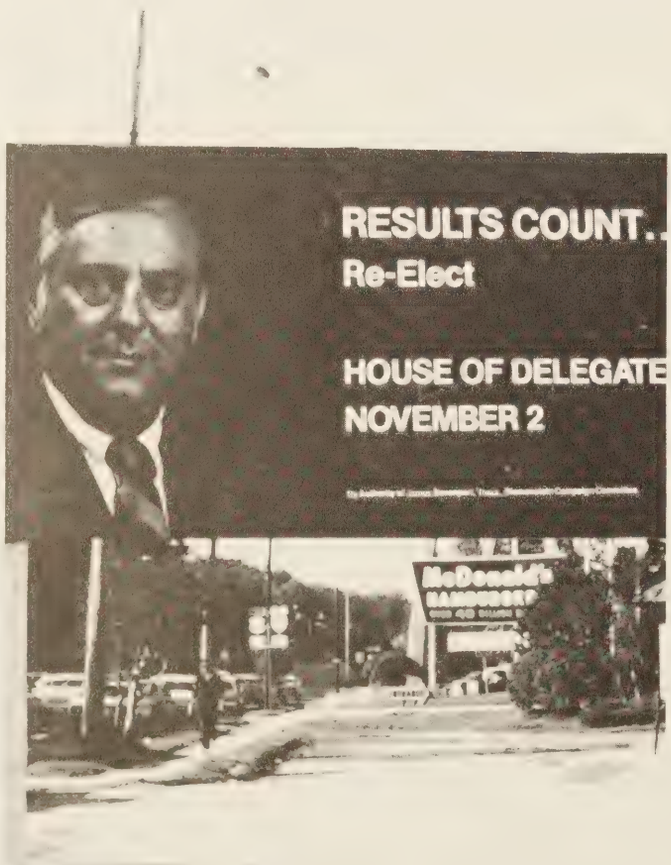
Peninsula Funeral Home has been a permanent fixture to the Warwick area, seen in this location from 1920-1972.



Changing Areas

Over the past 60 years, things have changed. Businesses and people change every year. Although in this picture, there will always be elections and McDonalds. The Warwick area has lost these two things now but will hopefully have something there soon to replace them.

Businesses sometimes have to relocate for reasons of money or for better business purposes, which is usually the case. Even during these times there will always be someplace, somewhere, which will insure our needs.

MY FAVORITE FOUR LETTER-WORDS

LOOK, WORK, Give, Love, Pray . . .

1. LOOK. Look squarely at the nature of your problems. Be alert. Keep looking for the right solutions. Look around you for opportunities.
2. WORK. Nothing will so fortify you against stress as hard, constructive work. It helps you forget yourself.
3. GIVE. Give yourself to people. Be genuinely interested in their problems—in the process you'll overcome reluctance and weariness.
4. LOVE. It nourishes and restores you. Love is taking a phone call at three o'clock in the morning, getting up to prepare a prescription for a sick child. Love is going the second mile in caring for people.
5. PRAY. Prayer connects you with spiritual power, builds up your inner strength. From it comes the certainty that you are being helped by someone else—and that is wonderful confidence-builder.

I WANT TO WISH MUCH HAPPINESS AND LOVE TO THE CLASS OF "83"
Love you all,
Mrs. Mabe

Full indebtedness to my fellow faculty and staff for your continued support especially the office "gang" and my husband; and, finally, a big hug, 10 pizzas, 4 bags of "kisses" and snickers, pretzels, mustard, and dip, a few Dunkin Donuts, late nights, and long week-ends to my **beloved** Annual Staff. **Mrs. Rosie Walsh**

Be proud to be a **Raider**! Good Luck Seniors! **Donna Oertel**

I **believe** in Warwick High School! **Hilda A. Laubach**

With the decision to change from a summer shipment to a spring delivery, deadlines came much closer together making photography, writing and layouts hectic. Long nights and endless weekends brought the staff together, quickly overcoming the lack of experience. A good yearbook is the result of supportive photographers. Assistance from a professional and from our own staff photographers helped to ease the pressure. Because of them and many others we are indebted to the following:

Melvin Clark, for his artistic expertise and last minute photography;
Mrs. Bonnie Lowe, **Sonjia Scott**, and **Michele Healy**, for after hours help with typing and layouts on deadlines;
Main Office Secretaries, for their help with paperwork and picture distribution;
Mr. Tom Knox (professional), for his good, dependable photography and prompt assistance;
Billy Garrett (staff), for putting up with our demands and harrassment for pictures, especially the one of the Chamberlin;
Ms. Beth Layton, for being an absolutely super Company Rep, always with us at deadlines and ready and willing to help;
Mr. Steve Hochman, our Asst. Principal, for his positive, faithful and loyal backing and encouragement;
Ms. Carolyn Herren, **Mrs. JoAnn Barbour**, Bookkeepers, for "clearing the books", handling all the monies, and our last minute purchase orders;
Audrey Clark, for her artwork, "diamonds," and being Mrs. Walsh's right hand person!;
Night Custodians, for their protection (!) and concern for us;
Mr. Chuck Walsh, for "holding down the fort" at home;
Local Businesses, for their continued support during an economically poor year;
The PARENTS, for allowing us to stay out late and long, meeting our commitments;
And, finally, to a very wonderful person and sponsor, **Mrs. Rosalie Walsh**, who put up with the let-downs, helping with all the writing and always being there in our time of need; so, to you, we owe our biggest thanks,

FROM **THE ANNUAL STAFF**

Celebrate the Past, Face the Future

Time it was
And what a time it was.
It was . . . a time of innocence
A time of confidences.
Long ago—it must be—
I have a photograph.
Preserve your memories—
They're all that's left you.
